What: VisioTag is a video analysis tool aimed at helping sports analysts to streamline video editing. We invite your club to participate in our testing phase in Tallinn.

Who: Coaches and sports organizations of all sizes interested in improving performance and player development through video analysis.

When: Testing phase details and schedule to be confirmed upon registration.

Why: Join VisioTag for Testing in Tallinn for several reasons:

- 1. Reduce Video Editing Time:** Cut video editing time in half to focus on team improvement.
- 2. User-Friendly Interface:** Easy for staff to learn and utilize.
- 3. Real-Time Feedback:** Gain immediate insights for faster adjustments.
- 4. Collaborative Opportunities:** Join a network of clubs leveraging technology.
- 5. Innovation:** Join our Tech and Sports community and enjoy a free trial period, plus receive a certification upon completion of the program.
